

David Rojas

SOFTWARE ENGINEERING

PROFILE SUMMARY

I am a software engineering student. I've worked on framework-based projects for the creation of progressive apps. During my studies, I earned Cisco R&S certificates. I have expertise organizing a tech support team by standardizing the requirements of businesses to reach the goals. I am a very appassionate person for the programing on the front-end side with framework as Angular and Next.js

ACHIEVEMENTS

- Cisco Certification CCNAv7: Switching, Routing, and Wireless
- Cisco Certification CCNAv7: Introduction to Networks
- Javascript - Sololearn
- CSS - Sololearn
